

MININFRA

**UNESCO-Africa Engineering Week with Africa Engineering Conference
Kigali Convention Center– Rwanda 25th– 29th September 2017**

NOTICE TO ALL CONFERENCE PARTICIPANTS AND AUTHORS

All Professional and consulting engineers who will attend the above conference will have an advantage of being awarded Professional Development Units (PDUs) in their Continuous Professional Development (CPD) Program. The IER Technical committee on Professional Development and Research has evaluated the PDUs to be 2 credits in their CPD program to all those who shall attend the conference. For all the papers approved, single authors will get 2 credits while a paper with a co-author each will get 1 credit. All the accepted papers will be published in Rwanda Journal of Mathematical Sciences, Engineering and Technology, ISSN 1014-4874, Volume 24. Please note that CPD is mandatory and a prerequisite for all practicing engineers.
